

# WH3 SKI WEEKEND, SZCZYRK 4 Feb - 6 Feb 2022

Hashers and friends,

The **21st WH3 Ski Weekend** for 2022 plans are in full swing (hic...).

**What you can expect:** 2, 3 (or more) days of skiing and/or drinking, a Hash 'run' in the snow, more beer & great company. If you are not a skier other possibilities include walking (or running) in the hills around Szczyrk, snowmobiling, a visit to the Zywiec brewery, or just sleeping off the hangover...

**What is the plan:** We travel down to Szczyrk by train or car from Warsaw on Friday, Thursday (or any other day that suits your agenda) and return on Monday (or other day, per your agenda). If you are travelling from further away you might fly into Katowice (or Krakow) airport and travel on by public transport or even hire a car. This weekend is about drinking, with a **bit of skiing** inbetween!

**Where will we stay?** We have some rooms reserved at the [Alpin Hotel](#). These are at a rate of 350 (double) or 230zloty (single) per night which includes a good breakfast. Some triples/studios are also available. Deposits of 50% needs to be paid to secure your rooms!

The Alpin is located right in the town centre and close to all conveniences. The nearest ski slope is a long walk away, with others further away. Buses are available to access the slopes. Ski equipment is available for hire at good prices in town and at each slopes. English speaking ski instructors can be arranged if requested in advance.

**How much will it cost?** The costs will depend on whether you share a room, do any skiing, drink much and how you travel to/from Szczyrk! But as an initial guide, in addition to the hotel, you can expect:  
**\*\*\*\* Prices TO BE UPDATED \*\*\*\***

**Travel:** 90-150pln for the **train** (depening on train type, class and advance purchase!!) to Bielsko Biala. Then you will need a bus (30min.) or taxi (15min.) to Szczyrk. By road, it is 370-395km (S8/A1 or A2/A1) from Warsaw to Szczyrk; gas costs will depend on size, speed and age....

**Skiing:** You will need [GoPass](#) for tickets for the main [ski area](#); you can pre-order (or not!)these to save time at the ski area. [Beskid ski arena](#) is a separate small ski area with a different tickets system

**Ski Equipment:** approx. 30-50pln/day, depending on standard, equipment needed, etc.

**Saturday Dinner:** tbc, expect around 100-120pln per person covering food & drinks

**Haberdashery:** We've had some great stuff in the past. Do you want more?

**Additions:** Beer is plentiful & cheap, food on the pistes is very cheap, souvenirs (?)

Drop a line to [Witch Doctor](#) to confirm your attendance.  
It's a great weekend, so don't miss it!!!

On-On!!!

**Witch Doctor**
